

SUMMER FILLED WITH DANCE

Summer ballet opportunities always pose a great deal of excitement, education, adventure, and assessment. The training and experience provided by the Louisville Academy of Dance has prepared this year's Academy students to attend a variety of renowned and respected summer intensives. Seven beautiful young women will participate in the following summer programs:

American Ballet Theatre(ABT)-Alabama
Ballet Magnificat
Ballet West
Chautauqua Dance
Joffrey Midwest Dance
Louisville Ballet

These girls were also offered placement into the Atlanta Ballet, ABT-New York, ABT-Michigan, Central Pennsylvania Youth Ballet, North Carolina Dance Theatre, and Rock School summer programs for the 2009 year.

In previous years, well-trained individuals were accepted by or participated in the summer dance programs of the Boston Ballet, Cincinnati Ballet, Ft. Wayne Ballet, Governor's School for the Arts in Kentucky, Harid Conservatory, Interlochen, and the School of America Ballet.

Several girls will also participate in the fine summer intensives under the cautious eye of Kristen Wenrick of the Louisville Academy of Dance.

Good luck girls--we are so proud of you!!
